

84 bills that my office is tracking on behalf of CalMOAA

Both the Assembly and the Senate have either passed the active bills to the other house for action.

If a bill is listed as still being in the House of Origin, it is either a 2-year bill which remains active until next year. If it is listed as “being held”, for all intents and purposes the bill is dead for the year.

**You will notice that AB 528 Gray was held on suspense by the Assembly Appropriation Committee because of price tag. We will try again next year.**
